Old Town Road: Officially laid out in 1764 as a short connection to the north of town, probably used many years before.

First Parish Church: Founded 1741. Since 1931 has brought together different traditions.

Affiliations: Unitarian Universalist Association, American Baptist Churches and United Church of Christ. The building dates from 1928, the second structure burned in 1926.

Suggested walks:

Several lengths- start at the Town Hall and ascend to the Powder House by the direct route, return by any of the trails. It's rewarding, but long and rolling walk (over 2 miles) over the Philben Land to Quail Run and back via the Old Town Rd.

Short and gentle ascent to the Powder House - take the Ronald W Evans Trail from the Church parking lot with an out and back to the building. Take a break at the meditation area to read, ponder watch wildlife or whatever. Return by any of many routes possibly including a stop at the Town Common where you can try the outdoor musical instruments. 

Fitness Trail - There are several fitness stations where you can test and improve your strength along this route which starts at the Town Common.

Connections: The Houghton Farm Area (Map 13) from the end of the Old Town Rd.
