Regulations and hunting schedules are posted at the trailheads and parking lots. Check the hunting schedules before entering this area.

① Kiosk at the 117 entrance near the Lancaster town line.

② Nashua River

③ Woods in Winter

④ Red Wing Blackbird

Bolton Flats Wildlife Management Area: This important flood plain along the Nashua River was originally named “Intervale” because of its location between hills. It is a primary habitat for migrating birds and offers opportunities for many recreational activities such as canoeing, fishing, bird watching, and hiking. Hunting is allowed in this area in season, so please take note of the posted schedules.

Parking:

- 388 Still River Rd. ① Car-top boat launch and seasonal access to trails. 42.469058, -71.630303
- 0.6 miles north of Still River Rd. traffic lights. ② Few trails accessible. Car-top boat launch a short walk. 42.460556, -71.637333
- 0.35 miles west of the traffic lights on Route 117, just in Lancaster. Longest Trails 42.457500, -71.648806
- 0.82 miles west of the traffic lights on Route 117 (0.5 miles into Lancaster, not on map). Nashua River car-top launch. No access to the trail system. ③ 42.461389, -71.656972

Connections: The Vaughn Hills area ([Map 2](#)) is very close and can be accessed via a short walk north along Still River Rd. At the Vaughn Hill Rd. junction turn right and walk to the Moen parking area and kiosk.

Suggested walks: *Short and Medium* - Start at ③ and explore the trails towards Harvard. Although this is a flat trail, it is subject to seasonal flooding. *Very long* - The western end of the incomplete Bolton Loop Trail lies at the Red Barn (388 Still River Rd.) parking lot.
